Thanks for sending me a note. I told the judge that I might need a couple days wiggle room. Please let me know when it will be ready.

Hi Garrett,

I just wanted to give you a heads up that the re-submitted samples will not be ready for pick up on Friday. The analysis is not yet complete and then a technical review needs to be done as well. The earliest they would be available is Tues.

Sorry for the inconvenience

Kate

Elisabeth,

I am respectfully requesting that some additional items be re-analyzed as well as some items expedited. The drugs in question are from two different cases but involve the same defendant. The drugs from the 2010 case are needed for trial on 5/29. These drugs were previously analyzed by Annie Dookhan. I know

this is a last minute request, but if you have those drugs re-analyzed and available for pick up on 5/25, I would really appreciate it.

The drugs from the 2012 case were sent up in March. If those could be expedited, I would appreciate it also.

Thanks,

Garrett
